

## I Have a Friend

Skip, dance & play with your shadow! Use compass – where is sun? Wear Imagination Butterfly Band, send your shadow to places you can't go (over fences, up buildings, a tree top) **JOURNAL IDEA:** Draw your shadow in a place it went that you couldn't go. Try touching your shadow with other shadows. Use sidewalk chalk to have someone draw around your shadow on sidewalk. With tape measure, measure drawing & you. Are they the same size?
