Leaves! Leaves! Leaves!

Take a leaf walk! Use Leaf Scar ID sheet & magnifier to look at “tree faces” where the leaves have fallen off twigs. Do “Rub-a-Leaf” activity at the end of the book. **JOURNAL IDEA:** put your favorite leaf rubbing in your journal with a leaf joke (wear Imagination Butterfly Band to help you make up your joke). Use magnifier to look at leaf veins. Use Leaf ID to name leaves and label rubbings.
