

Midnight Snowman

Gather up family, friends & neighbors - together roll the biggest snowball ever! When it can't roll any more, use **shovel** to pack on more snow. Have everyone add stuff to it to make a snow “thing!” Use **measuring tape** to see how tall/big around it is. **JOURNAL IDEA:** Draw picture of “snow thing”. **PHOTO IDEA:** **Imagination Butterfly Band** on “snow thing” with everyone who helped roll it.
