## Mr. Carey's Garden

Be a plant detective! Who might be eating plants with holes in your yard/garden. Look with **magnifier** at evidence. With **flashlight** make light shine like the moon through the holes at night. Look at the moon through the **binoculars**. Wear **Imagination Butterfly Band** & imagine it is art like Mr. Carey saw! Discover ways to appreciate nature that others may not notice. Share discovery with someone & note it in **journal**.
