Mud

Squish barefoot in some “happy” mud! Make it “slurp, splat, sop” through toes and fingers! Take **shovel** and dig in it to make new noises! Decorate your face with mud & then do a barefoot mud dance! Use **net** to find things in muddy water. Make mud handprint in **journal**! Measure your handprint with **measuring tape**. **PICTURE IDEA:** **Imagination Butterfly Band** on your muddy toes!
