## Our Shadow Garden

Plant your own garden - nighttime shadow, yard, patio, window or container garden to make someone happy & bring in wildlife! Read side panels on the book pages to learn how to create gardens. Wear **Imagination Butterfly Band** to imagine garden design (include a “listing spot”) - draw idea in **journal**. Measure garden using **measuring tape**. Plant garden with **shovel** - explore night garden with **flashlight**. **Look at moon with binoculars.**
