

Planting a Rainbow by Lois Ehlert

by Lois Ehlert

Planting A Rainbow

In the back of the book is a list of flower seeds you can purchase from a garden center to plant a rainbow garden! Use your shovel to plant your garden. If you are not able to plant a rainbow, take a walk around your neighborhood or park and find flowers all colors of the rainbow & ones that match all the color chips in rainbow tool bag. **PICTURE IDEA: Imagination Butterfly Band** on rainbow flowers!
