The Surprise Garden

Ask someone to give you a variety of seeds or find wild seeds to plant a surprise garden! Use **shovel** to help plant. Use **tweezers** to pick up seeds & look at size & shapes with **magnifier** or in **magnifying box**. How many different colored seeds match **color chips** in **rainbow tool bag**? After garden grows, use **measuring tape** to find longest & tallest plant! Have a garden party!
