

# Outside Everyday Challenge

## May Bingo Card

How to participate in MCPD Outdoor Challenge Bingo:

1. Download the BINGO card here: <https://www.miamicountyparks.com/node/1290>
2. Each square on the bingo sheet represents a “challenge.”
3. Complete a challenge and mark it off.
4. Complete as many of the “challenges” as possible to get a BINGO (5 squares vertical, horizontal or diagonal)
5. Or, challenge your family to get as many BINGOS as you can and fill the whole card!
6. Each completed BINGO row enters your family into a monthly, prize drawing! So you can earn up to 12 entries for a single, completed card!
7. Go to this link to see the prizes for Bingo drawing winners! <https://www.miamicountyparks.com/node/1290>
8. BINGO CARD ENTRIES will need to be uploaded/submitted at the end of each month and the drawing will be held on the first of the month. (The whole family needs to be registered, not just a child.)
9. Submit a photo of your family’s completed BINGO card and a photo of your family completing your favorite (don’t forget to share which one it is), no later than the 3rd Sunday of the month here: [https://docs.google.com/forms/d/e/1FAIpQLScXqHFMTikl6gN-9nM1ZpZq6wfyw\\_w6nV\\_9h9TsN prRQ07bsSA/viewform?usp=sf\\_link](https://docs.google.com/forms/d/e/1FAIpQLScXqHFMTikl6gN-9nM1ZpZq6wfyw_w6nV_9h9TsN prRQ07bsSA/viewform?usp=sf_link).

The center square challenge features a special nature-focused book complete with suggested outdoor, exploration activities. Each book can be found at your local library or you could listen to it being read on YouTube. Follow this link to the Nature Quest Book lists, activity cards, and YouTube links so you can complete the center square challenge: <https://www.miamicountyparks.com/node/1293>

You may substitute a Nature Quest Book card activities for any square if you would like. You must write the name of the Quest Book in any square that you substitute it (as well as the center square) for and no two squares can use the same book.

\*winners must be registered for the program and will be announced on our Facebook page and will be contacted via phone or email.

Go on a wildflower hike and see how many flowers you can find!	Create a family/friends/self portrait picture out of chalk on a sidewalk or driveway	Watch the sunset	Go to a park and look at all the different shapes of leaves on the trees - find one the size of your hand	Find a spiderweb - is anyone living in it? How many webs can you find?
Fly a kite	Visit 3 parks in one day	Go out and play in the rain (check for lightning first!)	Host an outdoor tea party... don't forget to make mudpies!	Find dandelions going to seed. Blow them off and see whose floats the farthest. Don't forget to make lots of wishes!
Find a snack or treat and eat it outside	Invite a friend over and have a picnic together	<b>NATURE QUEST BOOK</b> Read one of the featured May books on the website and complete the activities	Go on a color scavenger hunt! Using the rainbow colors as a guide, how many different colored items can you find	Plant some seeds or flowers in a pot or garden
Look for the first butterflies and moths of the season	Go out and look at the full “Flower Moon” on May 1st	Spend a night camping in your backyard	Stargaze for an evening	Make a campfire and roast marshmallows
Stomp in a puddle	Read a book outside	Look for the second full moon of May, the Blue Moon, on May 31st	Visit a park with a pond and look for turtles. How many can you spot?	Make a hopscotch and play with a friend or family member
