NEW BUSINESS

The "Emergency Paid Sick Leave Act" passed by the federal government in March 2020 expired on December 31, 2020. This act provides two weeks of sick leave for employees to use if they need to be off due to COVID protocols. Even though no longer a mandate, employers are permitted to extend the policy. The County Commissioners extended it until March 31, 2021 and we are requesting approval for the same policy on Resolution 1395-21 for Park District employees. We are asking for an email yea or nay approving or denying the resolution so that we can continue this policy uninterrupted.
