Outside Everyday Challenge

November Bingo Card

How to participate in MCPD Outdoor Challenge Bingo:

1. Download the BINGO card here: https://www.miamicountyparks.com/node/1290
2. Each square on the bingo sheet represents a "challenge."
3. Complete a challenge and mark it off.
4. Complete as many of the "challenges" as possible to get a BINGO (5 squares vertical, horizontal or diagonal)
5. Or, challenge your family to get as many BINGOS as you can and fill the whole card!
6. Each completed BINGO row enters your family into a monthly, prize drawing! So you can earn up to 12 entries for a single, completed card!
7. Go to this link to see the prizes for Bingo drawing winners! https://www.miamicountyparks.com/node/1290
8. BINGO CARD ENTRIES will need to be uploaded/submitted no later than the LAST DAY OF EACH MONTH. The whole family must be registered, not just the child.
9. Submit a photo of your BINGO card and a photo of your family completing your favorite challenge (don't forget to share which one it is) by the last day of that month here: https://docs.google.com/forms/d/e/1FAIpQLScXqHFMTikI6gN9nM1ZpZq6wfym_w6nV_9h9TsNprRQ07bsSA/viewform

The center square challenge features a special nature-focused book complete with suggested outdoor, exploration activities. Each book can be found at your local library or you could listen to it being read on YouTube. Follow this link to the Nature Quest Book lists, activity cards, and YouTube links so you can complete the center square challenge: https://www.miamicountyparks.com/node/1293

You may substitute a Nature Quest Book card activities for any square if you would like. You must write the name of the Quest Book in any square that you substitute it (as well as the center square) for and no two squares can use the same book.

*Winners must be registered for the program and will be announced on our Facebook page and will be contacted via phone or email.

Look closely at some frost, use a magnifying glass if you have one	Catch a falling leaf and make a wish - see who can catch the most	Take a hike and see how many squirrel nests you can spot in the trees (it will look like a big ball of leaves)	Go for a walk in the light of the moon	Collect a few fallen leaves and use watercolors to paint pictures of them
Make a bird feeder from a pinecone, some nut butter, and birdseed	Watch the sunrise once	Look at a star map and try to locate a constellation or two	Find 8 rocks and paint them to make a tic-tac-toe game and then play it outside with a friend	Go for a listening walk — how many different sounds can you hear?
Cut open a pumpkin and leave it outside — who comes to feed on it?	Make a pile of leaves and jump into them	**NATURE QUEST BOOK** Read one of the featured November books on the website and complete the activities	Keep track of birds at a bird feeder for a week	While outside, make a map of your yard or living space using only natural found objects likes sticks, pebbles, and leaves
Go on a mushroom spotting hunt — how many different kinds can you see?	Read 4 books about fall/leaves outside	Watch the sunset, and use a compass to see what direction it sets in	Look for November's full moon, the Beaver Moon, on November 24th	On a walk, can you find any deciduous trees that still have leaves?
Go on a spider web hunt — how many can you find?	Visit 3 parks in one day	Visit Charleston Falls and observe the falls — how much water is falling?	Climb a tree	Make a pile of leaves and sticks in the corner of your yard — animals can use it as a safe space to stay during winter
