Rain

During the next rain, put on rain gear - go for a rain walk adventure! Catch raindrops on tongue and in your **net**! Use **shovel**/stick to dig out places for tiny rivers - float leaf boats. **PICTURE IDEA: Imagination Butterfly Band** on leaf boat! Peer at raindrops on spider webs with **magnifier**. Find animals keeping dry & ones liking to get wet. Pretend you're a wild animal - find place to keep dry outside.
